STATEMENT OF PROBABLE CAUSE
(For issuance of an arrest warrant or summons)

I state that on 2/4/2024 while exercising my duties as a law enforcement officer in the Eastern District of North Carolina -

At approximately 1747 hours, I, United States Park Ranger J. Essig #916, was dispatched by Dare County Sheriff's Office (DCSO) Communications Center to an overdose on NC Highway 12 south of the Oregon Inlet Bridge on Pea Island, North Carolina. This area is within the jurisdiction of Cape Hatteras National Seashore.

DCSO Communications Center advised a white Audi sedan was parked on the side of NC Highway 12 with a subject in the vehicle having an overdose and that CPR was initiated.

Upon arrival, I observed a parked white 2022 Audi A4 (), with a male subject lying on the ground on the passenger side of the vehicle with a female subject nearby. The female subject, identified by her name and date of birth as Michelle V. BRAVO, stated that the male was having an overdose and had used Fentanyl and Xanax prior to becoming unconscious. BRAVO identified the male subject by his name as Thomas J. LePage. I administered Narcan to LePage. Dare County EMS arrived on scene and administered more Narcan to LePage. LePage regained consciousness and was transported by Dare County EMS to Outer Banks Health in Nags Head, North Carolina for further evaluation.

During the contact, BRAVO stated she had taken two Xanax's and one line of cocaine after getting picked up by LePage at her house in Manteo, North Carolina. BRAVO stated LePage was driving the vehicle but began to not feel well and was unable to drive from the effects of his drug use. BRAVO stated she took over driving the vehicle and suggested they get Narcan for LePage. BRAVO stated that while she was driving on Oregon Inlet Bridge, LePage began to lose consciousness, so she drove fast to get off the bridge. BRAVO stated she administered chest compressions on LePage while driving. Once the vehicle was off the Oregon Inlet Bridge, BRAVO stated she pulled the vehicle off NC Highway 12 to get help for LePage.

I observed that BRAVO's eyes were red, watery, and her pupils were dilated. BRAVO had mood swings from being jovial, talkative, and cooperative to being sleepy and lethargic when I interacted with her. At times, BRAVO's speech was slurred and hard to understand. BRAVO stated she had been off drugs prior and had relapsed that day.

I issued BRAVO a mandatory court appearance for 36 2.35(c) "Under the influence of controlled substance to degree that endangers self or others". A notice was served to BRAVO with court information providing further instructions.

The incident was audio and visually recorded by my duty issued Axon 3 Body Worn Camera and my patrol vehicle's Axon Fleet Camera.

The foregoing statement is based upon:

 Information supplied to me by my fellow officer's observation
 Other (explain)
